In claim 1, line 5, after carotene, please insert - and one or more micronutrients selected from the group consisting of carotenoids, thiamine, riboflavin, niacin, cobalamin, folacin, Q10, flavonoids, and chromium - .

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: claim 18 had been allowed before this case went to the Board, as the references in combination, did not show this combination of ingredients in the particular amounts. The claims have now been amended to include the limitations of claim 18, thereby making the claims allowable.
